

AND NOW FOR SOME FAMILY NEWS

Richard and Sue are just back from a few days in Birmingham where they attended a Rotary International convention along with around twenty thousand Rotarians from around the world.

Sue found that Birmingham town centre around the canals had certainly changed from the canal area she remembered as a child.

They still have just 4 grandchildren, but nothing is now safe as the youngest, Liam, is now walking—no running—everywhere. Abbie now goes to playschool three times a week and is loving every minute. Connor and Jade recently took part in their school's production of 'Joseph' and after two evening performances, were absolutely worn out by the Schools sports day the following day.

A very warm HELLO to all our family of guests

With summer's arrival, the longer days and lighter nights, has meant we have been busy here at the Glendevon Hotel. Some of you will have already been to Bournemouth this year, and are now planning for your next holiday with us, or maybe you have yet to book for one of our Summer Sizzlers or Late summer breaks.

Take a look at some of the reasons why Bournemouth is so popular with our guests.

WHY BOURNEMOUTH

According to a survey earlier this year, the population of Bournemouth is the happiest town in the UK and some of the reasons for this are that the town has:-

- Seven miles of golden beaches
- Buzziing cosmopolitan town centre
- Award winning gardens
- Woodland chines and walks
- Victorian Pier and beachside promenade
- Great shops and variety of restaurants
- Theatres, cinemas and nightspots
- A wide range of sporting activities
- Beautiful seaviews around Poole Bay
- Countryside and forest surrounding the town

BOURNMEOUTH AIR SHOW 2009

For the second year running, Bournemouth is hosting a FREE AIR SHOW. This will take place all along Bournemouth Seafront from 20th to 23rd August and is set to be a dazzling event by the sea.

The event is completely free of charge and there will be amazing air displays from classic flying machines to modern hi-tec machines involving the impressive Red Arrows. Other displays are planned by the Team Guinot Wingwalkers and the Black Cats Helicopter display team.

**ROAR ON THE SHORE**

To launch the air show there will be a world record attempt to let off the most fireworks in the shortest time. This will take place on Thursday 20th August and will also be a fundraising event for Help for Heroes.

BOSCOMBE SURF REEF

Work was delayed during the winter months, but the building of an artificial reef at Boscombe continues and will eventually provide the area with incredible surfing conditions.

BOSCOMBE & POOLE MARKETS AND CASTLEPOINT

The popular Boscombe street market and Poole old town markets continue to be a popular visit by our guests. Castlepoint Shopping Centre also has its fans with lots of high street names all in one place including a three storey Marks & Spencers.

**LATE SUMMER & AUTUMN BREAKS...**

After the Summer Sizzler times in July and August, September and October are a great time to visit Bournemouth for a short break. It is the start of conference season at the Bournemouth International Centre but the Pavilion, BIC and Pier Theatre still have a variety of shows on offer.

At the end of the day, you can always relax and enjoy a pint or two in the hotel bar and join in with the quizzes, music, entertainment and dancing, and maybe the odd game of bingo too.

TURKEY & TINSEL COMES SOON...

November sees the arrival of our ever popular Turkey & Tinsel breaks. Many dates are already fully booked so don't forget to book your place before it is too late.

Can you answer these questions?

What is Richard's favourite number when he calls out the numbers for bingo?
And which of our popular entertainers supports Pompey?

Our Grandma Teddy is still all on her own after Grandad was taken at the end of last year. She is still knitting, but thank heaven, not because we are having any more grandchildren..
